PETITIONING THE COURT

To modify the conditions of supervision as follows:

CAUSE

On June 22, 2010, Terrance Cooper submitted to breathalyzer and urinalysis tests. Both tests were confirmed positive for alcohol. On June 16, 21, 22, 23, and 30, 2010, Mr. Cooper failed to report to scheduled substance abuse counseling meetings at Pioneer Human Services. Additionally, the defendant has failed to secure employment since February 2009. As the Court may recall, a violation report was submitted on May 26, 2009, regarding the defendant's arrest for driving while under the influence of alcohol. The defendant's conditions of supervision were modified at that time to include 60 days of home confinement along with alcohol prohibition conditions. Another violation report was submitted on April 20, 2010, regarding Mr. Cooper's consumption of alcohol. No action was requested at that time.

Mr. Cooper has agreed to the above -noted modification of conditions as evidenced by his signature on the attached waiver of hearing to modify conditions. Said modification will allow Mr. Cooper to continue with substance abuse counseling, while allowing him to secure employment. Additionally, it appears to be an appropriate sanction that will further restrict his activities in the community, and hopefully motivate him to secure employment, a stable residence, and comply with substance abuse counseling.
